

# THUMBPRINTS: ISO 45001 CERTIFIED

We're thrilled to announce that Thumbprints Utd. has been awarded ISO 45001:2018 certification for Occupational Health and Safety (OH&S) Management Systems.

Thumbprints Utd. has long believed in the importance of employee well-being. For years, we have dedicated ourselves to fostering positive working conditions and prioritizing preventive measures across all aspects of our operations. This prestigious recognition further strengthens these efforts and validates our commitment to creating a safe and healthy work environment.

This accomplishment would not have been possible without the dedication and commitment of our entire team. From leadership to every employee, everyone has played a vital role in establishing a robust framework that prioritizes the well-being of our workforce.

We're also grateful for the continued support of our suppliers and customers who share our commitment to safety. Earning ISO 45001:2018 certification is a major achievement, but it's just the beginning of our journey. This framework empowers us to work systematically toward an even better, safer work environment for all our employees.
